

NEW ZEALAND DUNEDIN PRICE LIST

1 JULY 2022

PRICELIST INFORMATION

Customers are advised that from the 1 July 2022 the revised Orica New Zealand - Dunedin Price List for Mining Services will take effect, superseding previous price lists. Orica New Zealand has made every effort to ensure that the information listed herein is correct at the time of publication. The prices of products and services contained in this Price List apply from 1 July 2022 and are subject to alteration to prices ruling at the delivery date.

PRODUCT RANGE

Please note that not all products listed are available from all magazine stores and minimum order conditions may apply. For product availability, and terms please contact your Customer Service Representative. Extended range and specialty products are also available in some lines. Orica provides a leading position on Product supply, integrity, safety, reliability, latest technology, and endeavours to lower the overall cost of resource extraction for our customers by supplying the most appropriate Products, Services, and advice. Please ask your nearest Customer Service Representative for more details. Free Call Phone: 1300 303 797.

DISTRIBUTION

When placing your order with your Customer Service Representative, please outline your requirements. Unless otherwise stated pricing is from the nominated Orica stock centre. FIS arrangements can be made for your convenience. You may arrange to collect your goods from our magazine. Regulatory requirements regarding the collection and transportation of explosives vary from state to state. Appropriate identification and vehicles will be required. Collection is subject to compliance with the relevant regulatory requirements. Special deliveries of explosives can be arranged for you. An alternative is the Orica Express Run, which guarantees delivery of your product by Orica on an agreed day. For information regarding Orica Express, contact your Customer Service Representatives or local sales office.
