GENERAL TERMS AND CONDITIONS

1. TERMS OF SALE

These terms and conditions of sale shall govern all sales of Products and Services by ORICA to Buyer under this letter proposal (when accepted, the "Contract").

2. PRICES

The prices of the Products and Services do not include sales, use, excise or any other taxes or assessments levied by any governmental authority upon the sale or use of the Products, or the supply or performance of the Services. Orica reserves the right to increase the prices for Products and Services at any time if any new or amended law, regulation or ordinance (or as a result of Orica's compliance with any material change in the rules or policies of Buyer) results in an increase in the cost of (i) performing the Services, or (ii) producing, packaging, storing or transporting the Products. Orica shall give Buyer written notice before any such price increase is implemented, including an explanation of the changes in service costs or production, packaging, storage or transportation costs resulting from such new or amended law, regulation or ordinance. For greater certainty, the foregoing shall include a change in, or introduction of, a tax and/or increased costs (including the cost of acquiring permits or credits and the cost of plant modifications or additions) in each case arising in connection with a change in, or the introduction of a scheme for, the management of greenhouse gas emissions or concentrations or management of water usage or water conservation.

3. PAYMENT TERMS

Payments not received when due shall incur service charges at the rate of one and one-half percent (1 ½ %) per month (18 % per annum) until paid. ORICA reserves the right, among other remedies, to limit or cancel the credit of Buyer, suspend further deliveries or performance, or terminate the Contract in the event Buyer fails to pay for any Products or Services when due. If Buyer's financial condition gives ORICA, in its judgment, reasonable grounds for insecurity concerning Buyer's ability to perform its obligations under the Contract, ORICA may require full or partial cash payment in advance or may suspend any further deliveries or performance until Buyer's financial condition materially improves and all unpaid sums due to ORICA have been paid.

4. ACCESS AND COOPERATION

Where applicable, Buyer will provide ORICA will access to all areas of the Site necessary to carry out the Services, including, without limitation, a reasonably dry surface suitable for equipment access, if required. Buyer shall control Buyer's employees and other contractors and subcontractors sufficiently to ensure non-interference with the safe and efficient performance of the Services at the Site.

5. PERFORMANCE OF SERVICES

ORICA shall perform the Services competently with due expedition and without delay. ORICA agrees that the Services shall satisfy the standard of care, skill, and diligence normally provided by a professional in the performance of work similar to that contemplated by this Contract.

6. FORCE MAJEURE

Any of the following shall be deemed a "Force Majeure": acts of God; acts of civil or military authorities; war; riot; fire; explosion; flood; sabotage or acts of terrorism; lack of adequate fuel, power, raw materials, labour, containers or transportation facilities; changes in applicable governmental laws, regulations, or orders after the date of commencement of performance hereunder; breakage or failure of machinery or apparatus; labour disputes; acts or omissions of Buyer, its employees, officers or agents; or any other event, whether or not of the class or kind enumerated herein, beyond the reasonable control of ORICA, including Force Majeure affecting Orica's suppliers. Orica shall not be liable for any delay in performance of, or a failure to deliver or perform, any Goods or Services, if such delay or failure is caused by a Force Majeure or if performance, including performance through alternative supply points, alternative suppliers or alternative solutions, is rendered materially more expensive such that performance is not commercially reasonable. ORICA reserves the right, in its sole discretion, to fairly allocate inventories and current production and to substitute suitable materials when, in its opinion, circumstances warrant such allocation or substitution.

7. SUSPENSION; TERMINATION

If Buyer fails to perform any of its obligations or otherwise breaches any provision of this Contract, then ORICA may, at its option, immediately cease all deliveries or performance under this Contract, or terminate this Contract. ORICA may also terminate this Contract or suspend performance hereunder if the costs incurred by ORICA in performing its obligations herein exceed the amounts paid by Buyer to ORICA for Products and/or Services supplied under this Contract.

8. TITLE AND RISK OF LOSS

Title to and risk of loss of the Products shall pass to Buyer upon delivery at the point of delivery specified on Schedule 1 of this Contract. Where legally possible, ORICA shall retain a security interest and right of possession in the Products until Buyer makes full payment.

9. PRODUCT RETURNS

Product returns will not be accepted unless Buyer obtains prior written approval and transportation instructions from ORICA. All Products returned to ORICA must be in full containers, boxes or cases, unopened and in the same condition as when delivered. Products may be returned for exchange or credit to Buyer's account only, and ORICA shall give no cash refunds with respect to any Products returned. No special order items or non-standard stock items may be returned. Returned Products accepted for exchange or credits are subject to a restocking charge of twenty five percent (25%) of the invoiced value of such Products. In addition, Buyer shall pay all transportation charges.

10. RETURNABLE CONTAINERS AND SHIPPING MATERIALS

All returnable containers and shipping materials, including without limitation, pallets, shall remain the property of ORICA and shall be returned by Buyer as soon as they are no longer required for storage of the Products, but in any event within three (3) months from date of delivery. ORICA reserves the right to require Buyer to make a deposit for each returnable container, and if required, the amount of such deposit shall be paid by Buyer at the time of payment of the invoice for the Products shipped in such container. ORICA shall credit each deposit to Buyer's account promptly after the container or packaging is returned, provided the container or packaging is in good condition, has been used only for the storage and delivery of Orica's Products, and is returned prior to the expiration of the three-month time period described above.

11. INSPECTION AND ACCEPTANCE

Within fifteen (15) days of receipt of each shipment of Products, the Buyer shall examine the Products for any damage, defect or shortage. All claims for damage, defect or shortage (whether such claim be based in statute, contract, tort or otherwise) shall be deemed waived unless made in writing and received by ORICA within thirty (30) days after the Buyer's receipt of the Products. Failure to deliver to ORICA written notice of any such claim within the applicable time period shall be deemed an absolute and unconditional waiver of such claim, irrespective of whether the facts giving rise to such claim shall have then been discovered or of whether processing, further manufacture, other use, or resale of the Products shall have then taken place.

12. UNLOADING AND DEMURAGE

Buyer shall unload and release all deliver equipment to the carrier within the tariff or contracted period. Demurrage and detention charges shall be for Buyer's account.

13. LIMITED WARRANTY

Subject to section 14 below and unless otherwise expressly provided herein, ORICA warrants title and that the Products shall conform to Orica's standard specifications in effect at the time of manufacture. ORICA MAKES NO OTHER REPRESENTATION OR WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, AS TO MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ANY OTHER MATTER WITH RESPECT TO THE PRODUCTS, WHETHER USED ALONE OR IN COMBINATION WITH ANY OTHER GOODS OR MATERIALS. Except as provided in section 5 above, ORICA makes no representation or warranty of any kind, express or implied, with respect to the Services.

14. LIMITATION OF LIABILITY

(a) IN NO EVENT SHALL ORICA BE LIABLE FOR INCIDENTAL, INDIRECT, CONSEQUENTIAL OR SPECIAL DAMAGES OF ANY KIND. EVEN IF LOSSES ARE DEEMED DIRECT LOSSES, ORICA SHALL NOT BE LIABLE FOR LOSS OF PRODUCTION, LOST PROFITS, BUSINESS, REVENUES OR OPPORTUNITIES OR ANY SIMILAR DAMAGES. UNDER NO CIRCUMSTANCES SHALL ORICA'S LIABILITY EXCEED THE PURCHASE PRICE OF THE PRODUCT OR SERVICES GIVING RISE TO THE LIABILITY. ORICA DISCLAIMS ALL OTHER LIABILITY TO THE BUYER OR TO ANY OTHER PERSON WHETHER BASED UPON CONTRACT, TORT, OR OTHER LEGAL THEORIES INCLUDING NEGLIGENCE AND STRICT LIABILITY. EXCEPT AS OTHERWISE PROVIDED HEREIN, ANY ACTION AGAINST ORICA MUST BE BROUGHT WITHIN TWELVE (12) MONTHS AFTER THE CAUSE OF ACTION ACCRUES.

(b) Each provision in the Contract that provides for a limitation of liability, disclaimer of warranty or exclusion of damages is severable and independent of any other provision and is to be enforced as such.

15. ASSUMPTION OF RISK

It is the responsibility of Buyer to determine that the Products are appropriate for Buyer's intended use and to carry sufficient insurance to cover its potential liabilities hereunder. Buyer shall ensure that the Products are used safely and in accordance with applicable law. Buyer acknowledges that it is familiar with and accepts the risks associated with the Products and Services and that even the exercise of due care in blasting may not prevent injuries or damage. Buyer also acknowledges and agrees that Buyer's choice of Products and Services (or election not to purchase Products and Services that may mitigate risk) may result in adverse consequences. Buyer assumes all risks and liability associated with (and will indemnify and hold Orica harmless against the same): (i) any product into which the Products are incorporated; (ii) any environmental effects and damage associated with the use of the Products and performance of the Services not directly caused by Orica's breach of Section 5 (including without limitation fly rock and ground vibration); and (iii) the possession, handling, storage, use or other disposition of the Products sold hereunder, whether used alone or in combination with other substances or products. If Orica furnishes technical or other advice or assistance to Buyer with Buyer's operations, Orica shall not be liable for, and Buyer assumes all risk of, such advice and assistance and the results thereof, whether or not such advice or assistance is given at Buyer's request.

16. INDEMNIFICATION

To the maximum extent allowed by law, Buyer shall defend and indemnify ORICA and its employees and agents against all sums, costs, liabilities, losses, obligations, suits, actions, damages, penalties, fines and other expenses (including investigation and attorneys' fees) that ORICA may incur or be obligated to pay as a result of (i) Buyer's handling, ownership, possession, further processing, transportation, disposal, sale or other use of the Products, (ii) Buyer's violation or alleged violation of any federal, provincial, county or local laws or regulations, or (iii) Buyer's breach of this Contract.

17. CONFIDENTIALITY

(a) Each party and its respective agents, employees and representatives shall hold in strict confidence and shall not use or disclose or permit the use or disclosure of (i) the existence or terms of this Contract, (ii) any information regarding the operation of the Products or the performance of the Services, or (iii) any information that may come to its knowledge in the course of carrying out this Contract as to the operations, business dealings or financial affairs of the other party, without the express prior written consent of the other party.

(b) The restriction imposed in subsection (a) above does not apply to any disclosure of information that: (i) at the time of the disclosure was in the public domain other than by breach of this Contract, or (ii) is required by applicable law or order to be communicated to a person who is authorized by law to receive that information.

18. INTELLECTUAL PROPERTY

Buyer acknowledges and agrees that ORICA is the sole and exclusive owner of the Intellectual Property in the Products or Services and the rights attached to that Intellectual Property. Buyer further agrees that nothing in this Contract grants to the Buyer any right, title or interest in or to any of the Intellectual Property in the Products or Services. Buyer will not claim (whether during the term of the Contract or thereafter) to have acquired any right, title or interest to the Intellectual Property in the Products or Services by virtue of the rights granted to Buyer by this Contract. As used herein, "Intellectual Property" means any intellectual or industrial property right anywhere in the world including, without limitation, any patent, patent application, utility model, copyright (including copyright in manuals, databases, promotional materials and other materials), registered design and other design rights, and any other rights that may subsist anywhere in the world in inventions and other manufacturing processes, technical and other information of ORICA.

19. ASSIGNMENT

Neither party may assign its rights, powers, duties or obligations under this Contract without the prior written consent of the other party hereto and any attempted assignment or delegation without such consent shall be void; provided, however, that ORICA may assign its rights, powers, duties or obligations under this Contract to: (i) its parent company or to any present or future subsidiary (whether direct or indirect) of ORICA or such parent company, or (ii) a third party in connection with a sale of all or a significant portion of Orica's stock or assets. The following shall be deemed an assignment of this Contract by Buyer: (i) the sale of all or substantially all of the stock of Buyer; (ii) or all or substantially all of its assets, are acquired by or merged with another person or entity; or (iii) there is a change of the ability to direct the affairs of Buyer.

21. GOVERNING LAW

The validity, interpretation and performance of this Contract and any dispute connected herewith shall be governed by and construed in accordance with the laws of the jurisdiction of incorporation of the Orica Company supplying the Goods, and the parties submit to the non-exclusive jurisdiction of the Courts of that jurisdiction. The United Nations Convention on Contracts for the International Sale of Goods (Uniform UN Sales Law) or equivalent shall not apply to this contract and is excluded.

22. SURVIVAL

The terms of the Contract that by their nature are reasonably intended to survive the Contract, including without limitation, sections 13, 14, 15, 16, 17, and 18 herein, shall survive the expiration or termination of this Contract.

23. ENTIRE AGREEMENT

This Contract constitutes the full understanding of the parties, a complete allocation of risks between them and a complete and exclusive statement of the terms and conditions of their agreement. No amendment or modification of any provision of this Contract shall be effected by the acknowledgment or acceptance of purchase order or shipping instruction forms containing terms or conditions at variance with or in addition to those set forth herein. Further, no amendment or modification of any provision of this Contract shall be binding unless the same is in writing, signed by the party to be bound, and is specifically described as an amendment or modification of this Contract.

24. MISCELLANEOUS

The headings used herein are for convenience only and do not affect interpretation. No waiver by ORICA of any one or more breach by Buyer in performance of the Contract will operate or be construed as a waiver of any future breach whether of a like or different character. If any provision of the Contract is held by a court of competent jurisdiction to be contrary to law or public policy, the remaining provisions of the Contract shall remain in full force and effect. Nothing in this Contract is to be interpreted against a party on the grounds that the party put forward this Contract or any part of it.
